COUNCIL AGENDA: December 16, 2003

TO: City Council

VIA: Dennis R. Halloway, City Manager 

FROM: T. Jarb Thaipejr, Public Works Director/City Engineer 

SUBJECT: Library Bond Act of 2000 – Request to Adopt the Resolution Approving Application for Library Expansion (Third Round)

RECOMMENDATION:

It is recommended that the City Council adopt the Council Bill #R-2003-57, declaring its intent to expand the current Loma Linda Branch Library Facility.

BACKGROUND:

On March 11, 2003, the City Council adopted Council Bill #R-2003-14, authorizing staff to submit the Library Bond Act of 2000 application.

On October 24, 2003, the City received an e-mail from the State of California's Office of Library Construction, informing the City that we were not selected to receive grant funds from the second round of the Library Bond of 2000 set of grants. The State did provide the City with an evaluation of our application for future use.

The information has been updated, and the City is now ready to submit an application for the third round of the grant application process. A new resolution is required.

FINANCIAL IMPACT:

The Library bond grant will provide funding for seventy percent (70%) of the total engineering and improvement costs. The City is required to provide thirty percent (30%) local match.
